At Stonemartin we know that our resident businesses are as unique as the environment within which they operate. Our menu of I.T. services is designed for you to select your own, individual programme, tailored to your exact business needs.

To find out more call 0844 880 2271 or visit www.stonemartin.com

STONEMARTIN INTERNET SOLUTIONS

Stonemartin operates a fully managed network. All of our products, even ADSL arrive in our locations by fibre optic links. Our in-house technicians manage the connections and provide onsite support giving peace of mind that your connection will be online when you need it. If your requirement is not listed below, please call for a bespoke quotation.

PRICE MATCH PROMISE

We will match like for like any provider of internet connectivity on presentation of a valid quotation and confirmation of service level provided. Terms and conditions apply.

Connect or Dedicated

To construct your total monthly connectivity package price, first select the bandwidth you require from the table of options below, and add in the Installation charge. Whilst your first connection is included in the connectivity price you will then need to add a LAN/Data port for every additional workstation you wish to connect.

		INSTALLATION CHARGE			PRICE PER MONTH (PCM)		PER CONNECTION		Speed of line - Download K/Bit	Speed of line - Upload K/Bit	Information
● Lines	Analogue line	-	£15	£15	56	33					For your fax/bank software etc.
